**A. INTRODUCTION**

---

The Optometrists & Opticians Act was passed in Parliament in July 2007 to regulate the practice of Optometry and Opticianry in Singapore. All optometrists and opticians providing eye care services will need to be registered with the Optometrists & Opticians Board to continue practising or to start working as an optician or optometrist from 1 Jan 2008.

In 2009, the Board implemented the new Supervisory Framework for new graduates who are registered as provisional optometrists and opticians to apply and build on competencies gained during the course of optometry/opticianry education and training.

Under the new framework, candidates are required to maintain a portfolio of cases that cover the core competency areas in their practice. Supervisors appointed under this framework are required to assess and provide guidance to the provisional registrants. All provisionally registered optometrists and opticians are required to fulfill the requirements of the Supervisory Framework before they are eligible for full registration.

---

**B. OBJECTIVE**

---

The Supervisory Framework aims to help provisionally registered optometrists and opticians to apply and further improve their optometry and opticianry knowledge and skills independently in a working environment with the guidance and mentorship of more experienced practitioners.

All provisional optometrists and opticians are required to read and fully understand the requirements the Supervisory Framework.

---

**C. CONDITIONS FOR PROVISIONALLY REGISTERED OPTICIANS (SUPERVISEES)**

---

1. Under the Supervisory Framework, all provisional registered opticians are required to:
  - a. Complete 24 months of supervised opticianry practice under a full-time<sup>1</sup> employment/practice;
  - b. Practise under direct supervision of an approved primary supervisor from same workplace (same company and same outlet);
  - c. Practise only at one primary workplace; no secondary workplace(s) is/are allowed;
  - d. Provisional registration granted is in relation to principal place of practice. With the change of workplace, the provisional registration may no longer valid. Therefore any change in principal place of practice/employment (including within same company) needs to be updated and is subjected to Board's approval. Cases that are logged under previous workplace will not be accepted if there is a change in workplace;
  - e. Maintain and submit a portfolio of cases as required by the framework during your provisional registration period;
  - f. Stop practising opticianry immediately upon change of appointment for new supervisor, until the Board has approved the appointment;
  - g. Adhere to Professional Practice Guidelines on the opticianry practice that needs to be performed for every patient; and
  - h. Attend relevant CPE activities as required by the Board.
  
2. The Board reserves the right to audit the practice or any submitted log cases throughout the

  - b. Possess a minimum of 3 years' optometric/ opticianry working experience; and
  - c. Working at the same workplace as the supervisee (same company and same outlet).
  
2. The appointed supervisor is responsible for:
  - a. Providing adequate supervision and guidance to the supervisee's practice during the period of his/her provisional registration;
  - b. Review supervisee's cases logged under the Supervisory Framework;
  - c. Ensuring that supervisee's conduct and practice is befitting of the profession and adhere to the Board's "Code of Professional Conduct and Professional Practice Guidelines for Optometrists and Opticians";
  - d. Conducting a progress review with supervisee and complete the Supervisor's Report on his/her performance once every 3 months.
  
3. The appointed supervisor can only accept **up to a maximum of 3 supervisees<sup>2</sup> in total at any one time.** In the event that the appointed supervisor is away from work for a period of more than a month (e.g. taking long leave), resigns or is unable to continue his/her supervisory duties, he/she shall be responsible to:
  - a. Appoint another covering supervisor;
  - b. Inform the Board immediately of the changes in supervisor for the supervisees under his/her charge.
  - c. Ensure that his/her supervisory duties is handed over to the newly appointed supervisor; and
  - d. Supervisee should stop practising opticianry immediately upon change of appointment for new supervisor, until the Board has approved the appointment.
  
4. Appointed supervisor are expected to co-manage supervisee's patients professionally as his/her own.

---

**E. CASE REQUIREMENTS**

---

1. The supervisee (provisional opticians) must compile a portfolio comprise of 40 genuine cases that are actually seen by him/her. Each case must have dispensing records consisting of the categories listed in Table 1.

Table 1: Case Category

<b>Optician (Dispensing)</b>	
<b>Dispensing case categories</b>	<b>No of cases</b>
Bifocal	3 cases

---

<sup>2</sup> Inclusive of supervision of optometrists and opticians on temporary, conditional and provisional registration. Example: Two optometrists supervisees and one optician supervisee.

SUPERVISORY FRAMEWORK - For Provisionally Registered Opticians

Multifocal	15 cases
Anisometropia	5 cases
One seeing eye patient (one eye VA < 6/60)	2 cases
Single Vision (15 cases)	
a) Prescription with +/- 5D and above	at least 5 cases
b) Astigmatism above 2.50D	at least 5 cases
c) Prescription below +/- 5D	optional
<b>Total</b>	<b>40 cases</b>

*Remarks: Your dispensing cases must also include at least 5 cases with re-threading metal supras, 5 cases with shortening metal sides, 5 cases with springing lenses into plastic frames*

2. Supervisee is to record the abovementioned cases accurately in the Case Record Templates provided in Board’s website (at [www.oob.gov.sg](http://www.oob.gov.sg)). All log cases should be printed either single-sided or double-sided.

3. The following information must be included clearly in each case record:

Dispensing Record

- a. Spectacle order details
- b. Spectacle verification details
- c. Spectacle dispensing details

Please make sure that all relevant columns in the record forms are completely filled in.

4. All cases submitted must be hand-written. Type-written cases will not be accepted. No correction tape/fluid are to be used. Errors made should be strike out, counter-signed and rewritten.

5. If unsure of use of notation and abbreviation, it is encouraged to write out in full. For eg. VA < 6/12 can be recorded as “Visual acuity is worse than 6/12”

6. All case write-ups submitted to the Board must be **genuine** cases and will only be considered adequate if they adhere to the practice requirements stipulated under the professional practice guidelines.

7. Findings could be recorded in a separate sheet if the space provided in the case note record template is not sufficient. Supervisee should file and attach case notes on the same case together in the portfolio. Please ensure that all recordings of cases are legible.

8. All the cases submitted must be supported by original patient records. Cases will be rejected if supervisee could not provide original patient records when requested by the Board’s Credential Committee.

9. All the cases submitted must show evidence of supervisee’s competency in opticianry practice and decision making. Supervisee will need to **resubmit all** the cases if portfolio submitted does not fulfill the Supervisory Framework requirements, or does not demonstrate adequately that he/she is competent or could not make sound decision in his/her practice.
