PRESCRIPTION OF MEDICINE BY REGISTERED MEDICAL PRACTITIONERS

1. The Singapore Medical Council (SMC) has recently reviewed the prescription of medicine by registered medical practitioners and wishes to inform all doctors of the following:

“All doctors who hold Conditional, Temporary and Provisional registration with the Singapore Medical Council and who are practising under supervision may only prescribe medicine for patients who they see at their institutions. These prescriptions should be issued on the prescription materials of the institution where they are employed or posted to.”

2. Please email the SMC Secretariat at enquiries@smc.gov.sg should you require any further clarification.

Thank you.

Yours sincerely
