SDC Circular No. 4/2024

Ref: SDC 8:4

18 November 2024

To all registered Dentists and Oral Health Therapists

NEW PRACTISING CERTIFICATE FEE FROM 1 FEBRUARY 2025

From **1 February 2025**, the Singapore Dental Council (SDC) will revise its fees for practising certificates (PCs) for Dentists and Oral Health Therapists (OHTs). The yearly PC fee will increase by \$100 for Dentists and \$10 for OHTs (see Table below).

	Current Yearly PC Fee	New Yearly PC Fee from 1 Feb 2025
Dentist	\$300	\$400
Oral Health Therapist	\$50	\$60

- Dental practitioners who submit their application for a new PC or renew their PC from 1 February 2025 will pay the new fee.
- We seek your understanding that this fee revision is necessary to enable SDC to continue its functions under the Dental Registration Act 1999. While SDC has been managing costs prudently, SDC has not adjusted its PC fees for the past 12 years despite inflation and rising operating costs.
- SDC will continue to review its fees and costs regularly to ensure that high standards of healthcare services are provided by all our healthcare practitioners.
- Information on the updated Fees Schedule for new and renewal of PC applications will be available on the SDC website at www.sdc.gov.sg by 1 February 2025.

6. For enquiries or clarifications on the fee revision, please email us at SDC@spb.gov.sg.

Thank you.
