CHANGE IN REQUIREMENTS GOVERNING EMPLOYMENT OF C-REG DENTISTS

In view of the increasing number of complaints received and non-compliance relating to the supervision of dentist under Conditional Registration, Council will implement the following policy **with effect from 15 February 2017**:

Dental clinics employing any dentist registered under Conditional Registration will be required to nominate two supervisors (namely 1 principal and 1 secondary) for each conditional registrant.

A nominated supervisor can only supervise a maximum of 2 dentists under conditional registration.

This is to ensure that dentists under Conditional Registration are being supervised at all times.

Your attention is drawn to section 14A(5)¹ of the Dental Registration Act which states that Council may cancel the conditional registration of a dentist if he is found to have contravened conditions specified.

Employers can refer to the "Announcements" found in SDC's webpage (at <http://www.sdc.gov.sg>) for updates on the practice of dentistry in Singapore.

Yours sincerely,

Clin A/Prof Patrick Tseng
Registrar
