TCMPB Circular No. 2024/1

18 November 2024

To all registered TCM Physicians and Acupuncturists

NEW PRACTISING CERTIFICATE FEE FROM 1 FEBRUARY 2025

From **1 February 2025**, the Traditional Chinese Medicine Practitioners Board (TCMPB) will revise its fees for practising certificates (PCs) for TCM Physicians and Acupuncturists. The yearly PC fee will increase by \$60 (see Table below).

	Current Yearly PC Fee	New Yearly PC Fee from 1 Feb 2025
TCM Physician	\$275	\$335
Acupuncturist	\$225	\$285

2. TCM practitioners who submit their application for a new PC or renew their PCs from 1 February 2025 will pay the new fee.

3. We seek your understanding that this fee revision is necessary to enable TCMPB to continue its functions under the Traditional Chinese Medicine Practitioners Act 2000. While TCMPB has been managing costs prudently, TCMPB has not adjusted its PC fees for the past 12 years despite inflation and rising operating costs.

4. TCMPB will continue to review its fees and costs regularly to ensure that high standards of TCM healthcare services are provided by all our TCM practitioners.

5. Information on the updated Fees Schedule for new and renewal of PC applications will be available on the TCMPB website at www.tcmpb.gov.sg by 1 February 2025.
