▪ **Supervisory Framework**

Q14	What are the criteria to be a supervisor under SMC’s supervisory framework?
A14	<p>The set of criteria to be a supervisor is found in the “Supervisory Framework Guidelines” at this <a href="#">link</a> which states:</p> <div style="border: 1px solid black; padding: 10px;"><p><b>For Hospitals/Specialty Centres, supervisors must be:</b></p><ul style="list-style-type: none"><li>(i) Fully registered with SMC; and</li><li>(ii) Designated Registrar*/ Senior Resident and above or registered specialist</li></ul><p>Designated Registrars*/ Senior Residents can only supervise conditionally/ temporarily registered <u>Medical Officers (or equivalent)</u> who are in their <u>first or second year</u> in the local healthcare system.</p><p>* Designated Registrars must have a postgraduate qualification which is considered as an intermediate qualification relevant to the specialty/department.</p><p><b>For General Practices (Polyclinics, GP clinics), supervisors must:</b></p><ul style="list-style-type: none"><li>(i) be fully registered with SMC; and</li><li>(ii) have at least 5 years of experience in general practice <u>in Singapore</u>; OR</li><li>(iii) be a registered Family Physician <u>in Singapore</u></li></ul><p><b>For Step-down Care (VWOs, Community Hospitals, Hospices), supervisors must:</b></p><ul style="list-style-type: none"><li>(i) be fully registered with SMC; and</li><li>(ii) have at least 5 years of experience in relevant hospital/community services (VWOs, community hospitals, hospices) <u>in Singapore</u>; OR</li><li>(iii) be an on-site registered Family Physician or Specialist (e.g. Geriatrician, Palliative Medicine Physician, Rehabilitation Physician, General Physician) <u>in Singapore</u></li></ul></div> <p>The supervisor<sup>#</sup> must work on a <b>full-time</b> basis in the <b>same</b> department or practice place as the supervisee and provide timely and direct supervision.</p> <p><sup>#</sup> The supervisor should be equivalent or of a higher designation than the supervisee. Where the supervisee is a specialist, the supervisor must be of higher seniority. SMC may also consider other criteria when assessing the suitability of the supervisor.</p> <p>In cases where the doctor works in an approved secondary practice place(s), the SMC-approved primary supervisor is required to solicit feedback from the secondary supervisor(s) in completing the doctor’s periodic assessment reports.</p>

## SINGAPORE MEDICAL COUNCIL

<b>Q15</b>	<b>Can part-time fully-registered doctors be appointed as SMC's supervisor?</b>
A15	All doctors under Conditional Registration and Temporary Registration will be subject to monitoring under SMC's Supervisory Framework (SF). Thus, fully registered doctors who are working part-time cannot be SMC supervisors as a supervisor must work on a full-time basis at the same department as the supervisee in order to provide timely and direct supervision.
<b>Q16</b>	<b>How can I progress to the next level of supervision? What are the criteria for progression?</b>
A16	<p>A conditionally registered doctor who receives at least "satisfactory" performance grading for a specified period with no adverse complaints and feedback may be considered for progression to the next level of supervision, subject to the approval of the SMC.</p> <p>Employers or Heads of Departments are strongly encouraged to put in a request for their doctor's progression once he/she meets the criteria for progression to the next level of supervision.</p> <p>Application to the next level of supervision <b>must be submitted by your Human Resource/Medical Affairs</b> and supported by the Head(s) of Department(s)/Employer, to SMC.</p> <p>For more information on progression, please refer to pages 4 to 6 of the SMC <a href="#">Supervisory Framework Guideline</a>.</p>

Q17	<b>Do I need a Practising Certificate (PC) to practise in Singapore? How do I obtain a PC?</b>						
A17	<p>Doctors who are registered with the Singapore Medical Council (also known as Registered Medical Practitioners) will need a valid PC in order to practise medicine in Singapore.</p> <p>Doctors will need to apply for a PC by submitting an online application through their SMC account (<a href="http://www.smc.gov.sg">www.smc.gov.sg</a>).</p>						
Q18	<b>My PC is expiring soon. Will it be renewed automatically?</b>						
A18	<p>The renewal process is not automatic. Doctors need to log on to their SMC account before their PC expires to apply for a renewal. Failure to renew their PC one month <b>before</b> your PC expiry date, will result in a late application fee of S\$80.</p>						
Q19	<b>I cannot renew my PC online and received the following message: “Note: Your register must meet all renewal criteria below.”</b>

	<p>(ii) <u>Voting requirements:</u> Please note that you will not be eligible to renew your PC if you have any outstanding fine(s) incurred as a result of failure to vote at any SMC election. We wish to highlight that <u>voting is compulsory</u> for all <u>fully-registered</u> medical practitioners under section 6 of the Medical Registration Act (Cap 174).</p>
<b>Q20</b>	<b>My employment will cease before my PC validity ends. I have applied for a one-year PC. Why is the duration of my PC less than one year?</b>
A20	<p>The expiry date of a PC will always end on the last day of the year (i.e. 31 December), regardless when the doctor applies for the PC.</p> <p>For example, if a doctor applies for a one-year PC on 1 June 2018, his PC will expire on 31 December 2018. There is no proration of fees and he will need to pay the full application fee for a one-year PC.</p>
<b>Q21</b>	<b>How do I make payment for my PC renewal application?</b>
A21	<p>Payment will be made online via credit card during the application process.</p> <p>The payment process is not instantaneous. Please allow at least three working days for the processing of payment.</p>
<b>Q22</b>	<b>I have successfully submitted my PC renewal application but was not prompted for payment. Why?</b>
A22	<p>You may be under GIRO or EPOB.</p> <p>For GIRO-users, payment will be made at a later time on a fixed date. Doctors with an existing GIRO arrangement with the SMC will not be asked to make payment during the application stage. To verify if you are on GIRO, please check with your bank.</p> <p>For doctors on Employer-Pay-On-Behalf (EPOB) scheme, payment will be made by your employer. To verify if you are under EPOB scheme, please check with your HR department.</p>
<b>Q23</b>	<b>I have submitted an application. Do I need to come to SMC to collect my PC?</b>
A23	You are <u>not required to collect your PC at SMC</u> . We will arrange your PC to be sent via normal or registered mail to your preferred mailing address in our records.

## SINGAPORE MEDICAL COUNCIL

	<p>If you are under EPOB scheme and your employer has paid for your PC fees, we will send the PC to your employer for their dissemination (except MOH Holdings and SAF).</p> <p>Registered mail requires an additional S\$10 for the service.</p>
<b>Q24</b>	<b>I have made payment for my PC renewal. How can I obtain a receipt? (Applicable to doctor who paid for his own PC fee)</b>
A24	<p>To print your receipt, login to the Professional Registration System on <a href="http://www.smc.gov.sg">www.smc.gov.sg</a> and followed by the steps below:</p> <ol style="list-style-type: none"><li>Select "Application"</li><li>Select "Enquire Applications".</li><li>Search for your PC application number</li><li>Print receipt under the "Remarks" column.</li></ol>
<b>Q25</b>	<b>I lost my PC. How do I replace it?</b>
A25	<p>To obtain a replacement of your PC, please <a href="#">login here</a> to SMC's Professional Registration System. and submit a <b><u>Reprint Application – Replacement of Original Practising Certificate</u></b>.</p> <p>SMC requires a copy of local police report made for the lost PC as supporting document. Please upload the police report in your reprint application to expedite the processing of the application. The application fee is S\$80.</p> <p>Once it is processed and approved, we will mail the certificate to you via normal mail. You may choose to top up S\$10 for registered mail.</p>
<b>Q26</b>	<b>I wish to cease practice. Should I renew my PC? Will I still be registered with SMC if I do not renew my PC?</b>
A26	<p>You do not need to renew your PC if you wish to cease practice. Your name will remain in SMC's Register of Medical Practitioners as long as you remain contactable. Therefore, you are advised to <u>update your particulars and remain contactable</u> if you wish for your name to remain in SMC's Register of Medical Practitioners. If you wish to resume practice in future, you may apply for a new PC.</p> <p>If your name is removed from the Register of Medical Practitioners and you wish to resume practice, you may apply for restoration of your name to the Register, subject to prevailing conditions and fees, followed by an application for a new PC.</p>

## SINGAPORE MEDICAL COUNCIL

Q27	My PC has lapsed. How do I apply for a new PC?
A27	<p>You may apply for a new PC if you have met the <a href="#">CME requirements</a> and do not have any outstanding fine for not voting at the <a href="#">SMC Elections</a> (applicable to fully registered doctors only).</p> <p>Upon meeting the prevailing requirements, you may wish to apply for a new PC as follows:</p> <ul style="list-style-type: none"><li>(i) Login to the SMC website <a href="#">here</a> to submit an application</li><li>(ii) If you are working or have worked overseas, a Certificate of Good Standing (CGS) issued by the respective Medical Council(s) where you practise or have been practising prior to your application will be necessary. Please note that the original CGS must not exceed 3 months from its issue date when presented with your application. It must also be sent to the SMC directly by the overseas councils / licensing authorities. Please note that CGS submitted by the applicant will not be accepted by the SMC; and</li><li>(iii) If you are not in practice, please submit a letter of declaration to declare that you have not been in practice since the date of expiry of your PC.</li></ul> <p>Subject to complete submission of all documentation and fee required, the average processing time of an application for PC is about 3 weeks. Longer processing time may be required when the case is more complex or when SMC is experiencing a peak period.</p>

## Q30 Why are my CPE points not reflected?

- A30
- In general, straightforward CPE applications and claims take 4 to 6 weeks for processing.
- Other reasons for the delay could be:
- (i) Additional information required for our review
  - (ii) Activities you have attended may not be in SMC's accredited list
  - (iii) Applications or claims may have been rejected due to:
    - Events are of non-medical related nature
    - Events are organised by pharmaceutical, non-healthcare related companies skewed towards commercial purposes
    - Speakers and primarily audiences targeted are not doctors

## Complaints against Medical Doctors

<b>Q38</b>	<b>Can SMC help me to assess whether there are grounds for me to lodge a complaint?</b>
A38	The SMC does not assess on whether there are grounds for individuals to lodge a complaint. Generally, the SMC will look into any written complaint that falls within the ambit of section 39(1) of the Medical Registration Act (“MRA”), that is supported by a Statutory Declaration (“SD”). The complaint should contain information about the doctor that you would like SMC to look.
<b>Q39</b>	<b>How do I lodge a complaint against a doctor?</b>
A39	<p>The SMC operates under the remit of the MRA in regulating the conduct of registered medical practitioners in Singapore.</p> <p>Under the MRA, if you wish to lodge a complaint against a doctor, you must submit a written complaint accompanied by an SD which can be affirmed at our office before a Commissioner for Oaths.</p> <p>Your complaint should be type-written in English and should include the <b>full name of the doctor(s)</b>, the full facts of the case and your allegations against the doctor(s). Please refer to the <a href="#">Sample Letter</a> for an example when preparing your type-written complaint.</p> <p>For more information on how to lodge a complaint with the SMC, please refer to the <a href="#">document</a> and call us at <b>6372-3065</b> to <u>make an appointment</u> with the Commission for Oaths for the submission of your complaint.</p>
<b>Q40</b>	<b>I am a foreigner and will be returning to my country shortly, how do I lodge a complaint against a doctor whom I consulted while I was in Singapore?</b>
A40	<p>Under the MRA, if you wish to lodge a complaint against a doctor, you must submit a written complaint accompanied by an SD which can be affirmed at our office before a Commissioner for Oaths.</p> <p>Your complaint should be type-written in English and should include the <b>full name of the doctor(s)</b>, the full facts of the case and your allegations against the doctor(s). Please refer to the <a href="#">Sample Letter</a> for an example when preparing your type-written complaint.</p>

## SINGAPORE MEDICAL COUNCIL

	<p>For more information on how to lodge a complaint with the SMC, please refer to the <a href="#">document</a> and call us at <b>6372-3065</b> to <u>make an appointment</u> with the Commissioner for Oaths for the submission of your complaint.</p> <p><b>If you are not able to lodge your complaint while in Singapore, the SD can be made before a notary public or justice of peace, or with other person having authority under any law for the time being in force in that country to take or receive a declaration.</b></p> <p>Once the SD has been duly affirmed / sworn, you can submit the SD and your letter of complaint to:</p> <p style="text-align: center;">Chairman, Complaints Panel Singapore Medical Council 16 College Road, #01-01 College of Medicine Building Singapore 169854</p>
<b>Q41</b>	<b>Can I make a Statutory Declaration with my own choice for the Commissioner for Oaths and not the one provided by the SMC?</b>
A41	Yes, you may make a Statutory Declaration with another Commissioner for Oaths on your own. Please ensure that your name, address and occupation are included in the Statutory Declaration.
<b>Q42</b>	<b>Can SMC advise me on whether the treatment I received from the doctor is appropriate?</b>
A42	The SMC does not advise on the medical management by a doctor. If you have doubts about the treatment received from a doctor, you may wish to seek clarification from the doctor/healthcare institution(s) or seek a second opinion before deciding on your next course of action.
<b>Q43</b>	<b>Can I submit a complaint against the hospital/clinic?</b>
A43	<p>The SMC can only consider complaints against doctors and is not empowered by law to look into complaints against any healthcare institution(s).</p> <p>Medical clinics and healthcare establishments are regulated under the Private Hospitals and Medical Clinics Act by the Ministry of Health (MOH). You may wish to contact and address your feedback/complaints to MOH.</p>

## SINGAPORE MEDICAL COUNCIL

<b>Q44</b>	<b>Can I submit a complaint without the full name of the doctor?</b>
A44	No, to facilitate the processing and investigation of the complaint, a complaint to the SMC against a doctor <b>must</b> state the full name of the doctor.
<b>Q45</b>	<b>I do not have the name/full name of the doctor(s). Can SMC help me to obtain the name(s)?</b>
A45	The SMC cannot obtain the name of the doctor(s) for you and/or assist you to get such information to draft your complaint. Where necessary, you should contact the relevant healthcare institution(s) to find out the name of the doctor(s). You may search for the full name of the doctor in the SMC register via the link <a href="#">here</a> .
<b>Q46</b>	<b>Will the doctor be able to see my complaint?</b>
A46	As part of a fair and impartial investigation, it is usually necessary for the doctor to be called upon to answer any allegation/s made against him/her. As such, your complaint, including your identity and the details of your allegation(s), must, <b>by law</b> , be furnished to the doctor.
<b>Q47</b>	<b>Is there a deadline for me to submit the complaint?</b>
A47	In general, a complaint should be lodged <b>within six years of the incident</b> for the complaint to be investigated effectively, as the relevant evidence such as medical records and witness testimonies may become unavailable or difficult to secure with the passage of time.
<b>Q48</b>	<b>Can I submit my complaint without making a Statutory Declaration?</b>
A48	Under the Medical Registration Act, your complaint <b>must</b> be supported by an SD.
<b>Q49</b>	<b>When should I make an appointment to make an SD to submit my complaint? Can I make my Statutory Declaration elsewhere?</b>
A49	You should make an appointment after you have completed drafting your complaint letter and get ready all your supporting documents (if any). Please call <b>6372-3065</b> to make an appointment to make an SD* before a Commissioner for Oaths (“ <b>CFO</b> ”) at the SMC’s office located at:  <b>16 College Road #01-01, College of Medicine Building Singapore 169854</b>

## SINGAPORE MEDICAL COUNCIL

	<p>On the day of the appointment, the complainant <b><u>must appear in person</u></b> to make an SD before a CFO and submit his/her complaint at the same time. Please have your photo identification ready for identification purposes (e.g. identity card, passport, etc). While you should complete all the fields in the SD form, please <b><u>do not sign the form before your scheduled SD appointment.</u></b></p> <p>*Please note that this service is provided free-of-charge and we seek your understanding that appointment is allocated based on a first-come-first-serve basis. Alternatively, you may make an SD before a CFO on your own. Please ensure that <b><u>your name, address and occupation</u></b> are included in the SD.</p>
<b>Q50</b>	<b>Can SMC help me to draft my complaint?</b>
A50	As an independent administrator of the disciplinary process, the SMC is unable to assist in the drafting of complaints.
<b>Q51</b>	<b>Can I not use the Sample Letter to submit my complaint?</b>
A51	<p>The Sample Letter is a guide to draft your complaint as it contains all the relevant fields that a Complaints Committee would require to effectively investigate your complaint. You are thus advised to use this guide.</p> <p>Please also note that handwritten complaint letters are not accepted and all complaints should be <b><u>type-written in English.</u></b></p>
<b>Q52</b>	<b>Can SMC help print my complaint or photocopy my supporting documents?</b>
A52	The SMC <b><u>does not provide</u></b> printing/photocopying services. On the day of your appointment to make the SD, please ensure that you come ready with your complaint and supporting documents. If you intend to enclose any coloured documents or any form of storage medium, you are required to provide <b><u>seven (7) copies</u></b> of these items.
<b>Q53</b>	<b>Is SMC the right platform for me to obtain compensation from a doctor?</b>
A53	No, the SMC is <b><u>not</u></b> the platform to get compensation. Under the MRA, even if your complaint is found to be valid, the disciplinary framework only allows for the imposition of disciplinary sanctions against doctors and cannot make an order of monetary compensation against the doctor. If you intend to seek monetary compensation from the doctor(s), you should seek your own independent legal advice.

## SINGAPORE MEDICAL COUNCIL

<b>Q54</b>	<b>My doctor/clinic/hospital has charged me an amount for the medication/consultation fee /medical report. Can I ask if this amount is correct? Can they charge me this amount?</b>
A54	<p>The SMC does not issue guidelines on doctors' fees and charges and is not able to comment on the appropriateness of the fees charged by the doctor or clinic.</p> <p>As medical clinics and healthcare establishments are regulated under the Private Hospitals and Medical Clinics Act by the Ministry of Health (MOH), you may wish to provide your feedback to MOH.</p> <p>Alternatively, you may wish to approach the Mediation Unit by MOH Holdings Pte Ltd (MOHH) for assistance if you wish to undergo mediation. <b>Q55</b>	<b>How long will the Complaints Committee take to look into my complaint?</b>
A55	<p>Given the serious nature of many complaints, investigations by the Complaints Committee ("CC") will typically take <b>at least 9 months</b>. For even more complex complaints, investigations may take <b>more than a year</b>.</p>
<b>Q56</b>	<b>Will I be updated of the status of my complaint with SMC?</b>
A56	<p>All proceedings before the Complaints Committee ("CC") are confidential and the CC is an independent and separate body from the SMC. The SMC Secretariat does not have the powers to release any information to you during the course of investigations. You will be informed in writing of the outcome of the CC's deliberations as soon as a decision has been reached.</p>
<b>Q57</b>	<b>Can I submit additional information after I have lodged a complaint with SMC?</b>
A57	<p>Yes, you can. However, this may prolong the time taken by the Complaints Committee ("CC") to look into the complaint especially if additional information is submitted after the CC has already commenced its inquiry. You are encouraged to ensure that all necessary, relevant information has been included into your complaint before submitting it.</p>

The SMC will continue to evaluate the reports of the doctor's clinical performance, ethics and professionalism, and feedback received before full registration can be given.</p> <p>You will be invited to the Pledge Ceremony at an appropriate time taking into account the assessments and feedback received by SMC.</p>
