USEFUL INFORMATION ON CONTINUING PROFESSIONAL EDUCATION (CPE) FOR PRACTISING CERTIFICATE (PC) RENEWAL FOR DOCTORS

1) CPE REQUIREMENTS AND CORE POINTS REQUIREMENTS

- For the renewal of a 2-year PC, doctors will need to obtain at least 50 CPE points.

- Of the 50 CPE points, at least 10 must be core points in each of their registered specialty during their Qualifying Period (QP).
  
  ➢ For example, if a doctor is accredited as a specialist in Internal Medicine and Endocrinology, he/she has to accrue at least 10 points in Internal Medicine and 10 points in Endocrinology.

- Core and non-core CPE points are awarded based on SMC’s accreditation of each activity and the doctor’s registered specialty.
  
  ➢ For example, Cardiologists will earn core points for activities accredited by SMC as ‘core’ for Cardiology.

- QP is the period in which the doctors must accumulate sufficient CPE points to renew their PC and this period is the same as their PC validity.

2) CPE CATEGORIES AND CAPS ON CATEGORIES
