

Update of Particulars

Update your particulars and contact details with SMC

The SMC's primary mode of communication with doctors is through emails and website announcements.

All registered doctors are reminded to update the following information in the Professional Registration System (PRS) promptly if there are any changes. This will ensure that doctors receive timely alerts, notifications and information from the SMC.

- Email addresses
- Contact numbers
- Mailing addresses
- Employment or Place of Practice (mainly for Fully registered doctors)

To update your particulars and information, simply log in to PRS (click [here](#)) with your Singpass.
