

SINGAPORE NURSING BOARD ENROLLED NURSE LICENSURE EXAMINATION

The SNB Enrolled Nurse (EN) Licensure Examination (LE) aims to assess the candidates' competencies and skills based on SNB's Core Competencies and Generic Skills for Enrolled Nurse, (2023). This is required to assure that foreign qualified nurses can perform safely and effectively as a Enrolled Nurse (EN) in Singapore.

The test plan below serves as a guide for candidates preparing for the SNB EN Licensure Examination (LE).

On page 2 are two sample questions.
