

SINGAPORE NURSING BOARD REGISTERED NURSE LICENSURE EXAMINATION

The SNB Registered Nurse (RN) Licensure Examination (LE) aims to assess the candidates' competencies and skills based on SNB's Core Competencies and Generic Skills for Registered Nurse, (2023). This is required to assure that foreign qualified nurses can perform safely and effectively as a Registered Nurse (RN) in Singapore.

The test plan below serves as a guide for candidates preparing for the SNB RN Licensure Examination (LE).

On page 2 are two sample questions.
