

SINGAPORE NURSING BOARD

ACCREDITATION/RE-ACCREDITATION OF NURSING PROGRAMMES

The Singapore Nursing Board (SNB) accredits nursing programmes conducted in Singapore. All applications for accreditation and/or re-accreditation are required to comply with prescribed accreditation standards and guidelines stipulated on SNB's website. The curriculum and other necessary documents **MUST** reach SNB by the stipulated dates for SNB's Accreditation Evaluators' review. All applications received after the stipulated date will be considered at the next review period.
