Registered Allied Health Professionals

CONTINUING PROFESSIONAL EDUCATION FOR ALLIED HEALTH PROFESSIONALS

The Allied Health Professions Council (AHPC) has developed the Continuing Professional Education (CPE) framework for registered Allied Health Professionals (AHPs) and is planning to implement the CPE system soon.

2 CPE consists of educational activities that serve to develop the skills and knowledge of AHPs to maintain their high standards of practice and professional performance.

3 The AHPC will be conducting briefing sessions to share about the CPE framework, guidelines, and implementation timeline. Feedback would also be gathered during the sessions. A briefing session for course/training providers will be held in June 2023, and a separate session for registered AHPs will be conducted by end Q3 2023. More information on the briefing session for registered AHPs will be provided later.

4 Please contact us via email at AHPC@spb.gov.sg if you have any questions.

Thank you.
