

OPTOMETRISTS AND OPTICIANS BOARD

IF YOU ARE NOT ELIGIBLE FOR SINGPASS

You are required to apply for 2FA onekey token via PRS concurrently with your application for registration.

Please take note of the following details:

1. You must key in your foreign passport number as part of your identification number even you are holding a valid work permit.
2. Provide a valid email.
3. Token will be issued and posted by Assurity (appointed vendor) and hence, a valid address is required.
4. Cost of \$15 per token will be borne by applicant for local address. For loss of parcel, you are required to contact Assurity at 6566 3539 or email helpdesk@assurity.sg for further assistance.
5. This token could be used to access to OOB's PRS only.
6. For new applicant, once you have created an account with OOB, a temporary password will be email to you. You are strong suggested to log in and upload all the mandatory documents within a given time, otherwise, it will be deactivated. Once you have received your token, you are required to activate promptly.
7. For existing practitioner, you are required to use your registration number and password to log in, followed by One-Time Password (OTP) via the 2FA onekey token.
