Dear all

MANDATORY POSTINGS IN GENERAL MEDICINE(GM) / GERIATRIC MEDICINE(GRM) FOR SENIOR RESIDENCY IN INTERNAL MEDICINE RELATED SPECIALTIES

The Specialists Accreditation Board (SAB) requires all Senior Residents in Internal Medicine related specialties¹ to complete the mandatory 6 months of GM and /or GRM posting(s) during their 3 years of Senior Residency Training. These 6 months must be consistently done for 2 months per year in each of the three resident years and will be a documented requirement for exit certification by JCST before specialist accreditation by the SAB.

2. Please see attached Annex for the detailed guidelines on the GM and GRM posting.

FOR DISSEMINATION

3. The above is for dissemination to all senior residents and Programme Directors for IM related specialties.

Yours sincerely
